Memo: 45.03.0000.008.14.097.2021- 299

Date: 16-04-2026

**Subject: Invitation Letter for the Workshop on Ensuring Sustainability at Target Institutions under the CBNS-II Project.**

Reference: CBNSII-01-04-2026; Dated: 12-04-2026

With reference to the above subject, the Directorate General of Nursing and Midwifery (DGNM), with support from the Project for Capacity Building of Nursing Services Phase II (CBNS-II), will organize a workshop focused on ensuring the sustainability of project activities at target institutions.

The workshop will be held according to the following schedule:

| Batch     | Group            | Dates             | Venue (Physical & Virtual Platform)                                                                                                                                                                            |
|-----------|------------------|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1st Batch | Dhaka Group      | April 22–23, 2026 | <ul style="list-style-type: none"><li>College of Nursing, Shere Bangla Nagar, Dhaka (Local Participants).</li><li><b>Virtual zoom link</b> for Outside the Dhaka Participants.</li></ul>                       |
| 2nd Batch | Mymensingh Group | April 29–30, 2026 | <ul style="list-style-type: none"><li>Regional Nursing &amp; Midwifery Training Institute, Mymensingh (Local Participants)</li><li><b>Virtual zoom link</b> for Outside the Mymensingh Participants.</li></ul> |

**Timing: Day 01:** 08:00 to 16:00

**Day 02:** 08:00 to 14:30.

**Participants & Agenda**

Detailed lists of participants and the training agenda are attached as follows:

- Attachment 1: Participants (Dhaka Group), April 22–23, 2026.
- Attachment 2: Participants (Mymensingh Group), April 29–30, 2026.

All concerned authorities are requested to kindly release the nominated participants to attend the workshop as per the schedule. All expenditures for the program will be borne by the JICA CBNS-II Project as per the Record of Discussion (RD).

Non-local participants of the Dhaka and Mymensingh groups are highly requested to join via provided Zoom link at the scheduled date and time.

## Workshop's Agenda

### Plan for Workshop on ensuring sustainability at target Institutions

#### 1. Purpose

This workshop will be held for the participating institutions to summarize their activities and the lessons learned through the activities and mutual visits, with the aim of ensuring sustainability of these activities after the project concludes.

#### 2. Objectives

- Share insights gained through activities and mutual visits conducted during the project period and highlight progress and changes. (Task 1)
- Develop a plan for implementing sustainable activities moving forward and prepare to continue these activities. (Task 2 and 3)
- Prepare for the presentation of achievements at the dissemination seminar. (Task 4)
- Strengthening networks within the participating organizations.

#### 3. Participants

Both college and hospital MTs. Invite the principal of CONSBN and the nursing superintendent of ShSMCH to attend the first day of the Dhaka program, and the principal of MNC and the nursing superintendent of MMCH to attend the first day of the Mymensingh program, if they are available.

#### 4. Date and duration

A total of two workshops will be held for the Dhaka team and the Mymensingh team. Each workshop will last one and a half days.

Dhaka team: Week of 19 April (tentative date: 22 April and 23 April)

Mymensingh team: Week of 26 April (tentative date: 29 April and 30 April)

#### 5. Contents

The following are the main tasks for this workshop.

Task 1: Review lessons learned from past activities and mutual visits, and share the progress of their activities and any changes they have observed in themselves and their institution.

Task 2: (Discussion of Micro-Level Sustainability) Discussion of what can be done in the future to ensure the sustainability of activities within each institution.

Task 3: Develop action plans for future activities within each institution.

Task 4: (Discussion of Macro-Level Sustainability) Prepared presentation materials for the four themes\* (two themes for each Dhaka/Mymensingh team) to be presented at the dissemination seminar.

#### \*Theme for dissemination seminar:

1. Capacity building for both parties and localization through training conducted in Cascade.
2. Collaboration between Colleges and Hospitals.
3. Standardization and quality improvement through interaction among stakeholders.
4. A participatory training approach that goes beyond lecture-based learning.

#### 6. Timetable

##### Day 1

Day 1

| No. | Time        | Activities |                                                                                                                                                                                                                                                                                                    |

| 1   | 8:00-8:30   | 10 mins    | Registration                                                                                                                                                                                                                                                                                       |
| 2   | 8:30-8:35   | 5 mins     | Opening Session                                                                                                                                                                                                                                                                                    |
| 3   | 8:35-8:40   | 5 mins     | Introduction of participants                                                                                                                                                                                                                                                                       |
| 4   | 8:40-8:50   | 10 mins    | - Outlines of the CBNS-II Project<br>- Purpose of the workshop                                                                                                                                                                                                                                     |
| 5   | 8:50-09:30  | 40 mins    | <b>Task 1:</b> Review of activities conducted during the program period. Discussion on what was learned from each activity, progress made, and any changes observed.                                                                                                                               |
| 6   | 9:30- 09:45 | 15 mins    | Break                                                                                                                                                                                                                                                                                              |
| 7   | 09:45-09:55 | 10 mins    | <b>Task 2 – Introduction:</b> Agree collectively on the need to sustain activities, and discuss what is required to maintain the progress and changes observed on the site. Present the conditions that will form the basis for the next phase of work (e.g., there will be no funding from JICA). |
| 8   | 9:55-10:45  | 50 mins    | <b>Task 2 – Group work:</b> Discuss what can and should be done in the future to sustain activities in each area (20 minutes). Share findings and discuss as a group (8 minutes per group × 4 groups).                                                                                             |
| 9   | 10:45-10:55 | 10 mins    | Break                                                                                                                                                                                                                                                                                              |
| 10  | 10:55-11:35 | 40 mins    | <b>Task 3.1 - Group work:</b> Participants will be divided into groups based on their respective colleges and hospitals in each area (for a total of 8 groups). To plan                                                                                                                            |

|    |             |         |                                                                                                                                                                                                                                                                                                                             |
|----|-------------|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|    |             |         | future activities, begin by listing the specific activities to be undertaken. The template will be distributed.                                                                                                                                                                                                             |
| 11 | 11:35-12:15 | 40 mins | <b>Task 3.2 - Group work:</b> Specify the implementation schedule and the person in charge of each activity. Share the instructions for the activity with the entire group, then have each group begin the activity.                                                                                                        |
|    | 12:15-12:45 | 30 mins | <b>Task 3 - Sharing:</b> Post the activity plans created by each of the eight groups on the wall and review them in an exhibition-style approach. Finally, remind everyone to take these plans back to their respective organizations, secure firm agreement with their supervisors, and ensure the plans are implemented.  |
| 12 | 12:45-13:45 | 60 mins | Lunch break                                                                                                                                                                                                                                                                                                                 |
| 14 | 13:45-14:10 | 25 mins | <b>Task 4 – Introduction:</b> Share the overview of the dissemination seminar (objectives, the role of the MT, etc.). Explain the content that the MT is expected to present at the dissemination seminar.                                                                                                                  |
| 15 | 14:10-15:00 | 50 mins | <b>Task 4 – Group discussion:</b> Sharing of themes and group assignments. Participants will be divided into Theme 1 and Theme 2 groups, and within each group, they will exchange ideas and discuss best practices related to their assigned theme and its subtopics. The results of Work Session 1 will also be utilized. |
| 16 | 15:00-15:15 | 15 mins | Break                                                                                                                                                                                                                                                                                                                       |
| 17 | 15:15-15:35 | 20 mins | <b>Task 4 – Sharing:</b> Sharing the result of group discussion. (5 minutes presentation + 5 minutes Q&A per group × 2 groups).                                                                                                                                                                                             |
| 18 | 15:35-15:45 | 10 mins | <b>Task 4 – Group work:</b> Explain the tasks for the next with. Decide on subtheme and assign roles within each group based on the main themes. Prepare for the next day.                                                                                                                                                  |
| 19 | 15:45-16:00 | 15 mins | Guidance on the next day's program                                                                                                                                                                                                                                                                                          |

## Day 2

| No. | Time        |         | Activities                                                                                                                                                                                                                                                                                                |
|-----|-------------|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1   | 8:50-9:00   | 10 mins | Registration                                                                                                                                                                                                                                                                                              |
| 2   | 9:00-9:10   | 10 mins | - Recap for the previous day<br>- Explain today's objective                                                                                                                                                                                                                                               |
| 3   | 9:10-10:10  | 60 mins | <b>Task 4 – Group work (preparation for the presentation):</b> Prepare presentations on two themes for the dissemination seminar. Divide into subtheme groups (two subgroups for each of the two theme, for a total of four groups), and have each small group prepare their presentation.                |
| 4   | 10:10-10:25 | 15 mins | Break                                                                                                                                                                                                                                                                                                     |
| 5   | 10:25-11:25 | 60 mins | <b>Task 4 – Group presentation 1:</b> Presentation of draft materials, followed by discussion (20-minute presentation + 10-minute Q&A × 2 groups). *Since this also serves as a presentation practice session, the audience should provide feedback on any points that were unclear or could be improved. |
|     | 11:25-11:35 | 10 mins | Break                                                                                                                                                                                                                                                                                                     |
| 6   | 11:35-12:35 | 60 mins | <b>Task 4 – Group presentation 2:</b> Presentation of draft materials, followed by discussion (20-minute presentation + 10-minute Q&A × 2 groups). *Since this also serves as a presentation practice session, the audience should provide feedback on any points that were unclear or could be improved. |
| 7   | 12:35-13:15 | 40 mins | <b>Task 4 – Group Work:</b> Revise the presentation materials. Consolidate the presentation materials by theme. If time permits, practice presenting by theme and subtheme.                                                                                                                               |
| 8   | 13:15-13:45 | 30 mins | - Recap the whole session<br>- Way forward to the dissemination seminar<br>- Closing remarks                                                                                                                                                                                                              |
| 9   | 13:45-      |         | Lunch                                                                                                                                                                                                                                                                                                     |
