Ref no. 45.01.0000.006.31.001.21/ 781

Date: 12/10/2025 15 OCT 2025

Subject: Request to nominate participants to facilitate implementation of the Care Companion Program (CCP) in selected hospitals

Source- Memo no: NHIB_DGHS/11/2025 Dated – 05 October 2025

Given the aforementioned concerns, the undersigned is directed to inform that, following through with the Memorandum of Understanding that was signed between the Directorate General of Health Services (DGHS) and Noora Health Bangladesh. Noora Health Bangladesh has been successfully supporting the implementation of Care Companion Program (CCP) on behalf of the DGHS in the country since mid-2022. Currently, the Care Companion Program is being implemented in 565 hospitals in SCANU, ANC, PNC, NCD, General Medicine and General Surgery departments. So far, about 2900 Senior Staff Nurses and Midwives have been trained to conduct the health education sessions at the hospitals and more than 1.4 million patients and their family members have been trained by them on different healthy behaviors.

02. In order to train more patients and their family members, Noora Health now plans to conduct five Training of the Trainers for the Senior Staff Nurses (SSNs)/Midwives/CCP Trainers (CCPTs) in 60 District Hospitals.

03. Please note that

- I. The ToT is three-days residential program
- II. Noora Health Bangladesh will bear the cost of transportation, accommodation and meals; the participants will receive TA/DA in accordance with the 4th HPNSP policy
- III. All the trained Senior Staff Nurses (SSNs)/Midwives/CCP Trainers (CCPTs) (through ToTs and by the Master Trainers) will start conducting regular CCP Health Education sessions in these facilities right after their trainings. Going back to their facility they will be responsible for training additional CCP trainers to further facilitate and expand the implementation of CCP health education sessions.
- IV. To ensure full participation of lactating mothers with children under two years, Noora Health Bangladesh (NHB) recommends allowing them to bring a chaperone (caregiver) to the training venue. NHB will cover the cost of the caregiver's accommodation and food.
- V. Two (02) Senior Staff Nurses/ Midwives/CCP Trainers (CCPTs) from ANC outdoor/corner & two (02) Senior Staff Nurses/ Midwives/CCP Trainers (CCPTs) from PNC ward should be nominated.

04 Therefore, you are requested to take necessary steps for nominating participants for the ToT and ensuring subsequent implementation of the Care Companion program (CCP).

 1

05. You are requested to email a copy of your nomination by 12nd October 2025 to the Director (Planning and Research) at (planning@director.dghs.gov.bd), Country Director, NHB hosnara@noorahealth.org . raia@noorahealth.org . sumon@noorahealth.org m.rahman@noorahealth.org . hafizur@noorahealth.org . zahangir@noorahealth.org

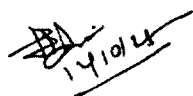

Attachments: Request letter from Noora Health Bangladesh (NHB).
